A World in Need of Healing: Native American Summer Conference

June 25-27

SEJANAM and Lake Junaluska Conference and Retreat Center proudly present "A World in Need of Healing," the 2010 Native American Summer Conference, June 25-27. This year's conference will focus on prayer and healing, providing a forum for vital education and training for Native American clergy and laity. The summer conference will also raise awareness about issues and concerns specific to Native Americans, and it is a platform for spiritual growth and leadership development for Native Americans across the Southeastern Jurisdiction and the nation.

Past conferences have focused on health, social justice issues, and de-sensitizing and understanding tribal and cultural differences and historical trauma. This year's event is intended to build upon those principles, and provide timely, relevant guidance and spiritual broadening on the issues of health and healing. The main focus of the conference will be the power of prayer and how it affects each of these issues.

"We believe and hope that participants will depart the Native American conference with a tremendous feeling of encountering God in a way they never have before, and have a wonderful Junaluska experience," said Darlene Jacobs, Director of SEJANAM. [Read more](#) or [register today!](#)

Summer Worship Series

June-August

Experience a worship-filled summer by attending the annual Lake Junaluska Summer Worship Series. This year's Summer Worship Series theme is "Lost in Wonder, Love and Praise" - a line taken from one of Charles Wesley's hymns, "Love Divine, All Loves Excelling."

The Series begins June 20 and continues through August 15, and all are invited to attend a unique and inspiring series of worship services at Lake Junaluska featuring well-known preachers. There are four worship services each Sunday, including Holy Communion at Memorial Chapel, Morning Praise and Prayer Service at the Cross Amphitheatre, Emerging Worship at Memorial Chapel, and a Traditional Worship Service at Stuart Auditorium.

"We are excited to offer this enriching summer worship series at Lake Junaluska," says Jimmy L. Carr, Executive Director. "We encourage everyone to attend and engage in as many services as possible during their Lake Junaluska experience."

"The services include the arts as expressions of faith and engage worshippers in each of the worship settings in a rich encounter with the holy," indicates Roger Dowdy, Director of Ministry.

Series speakers include Bishop Woodie W. White, who served as General Secretary of the General Commission on Religion and Race of The United Methodist Church from 1969-1984, and recently retired from the Indiana Conference; Tom Long, the Bandy Professor of Preaching at Candler School of Theology; Heather Murray Elkins, Professor of Worship, Preaching, and Arts at Drew Theological School and elder in The United Methodist Church; Leonard John, Alaskan minister who served as President of Kootznoowoo Cultural and Educational Foundation from 1995-2005; Greg and Susan Jones, teachers and leaders at Duke Divinity School; and many more. More information about all summer worship preachers can be found at www.lakejunaluska.com/summer-worship.
