The Enneagram: The 9 Personality Types in Ministry

January 25-28, 2010

During this four day retreat, facilitator Sandra Smith will weave presentation with self-reflection, silence, dyad inquiry and small group discussion as participants journey to their deeper selves. The Enneagram Personality System will serve as map as we learn the nine distinct personality types, their gifts and challenges as they relate to pastoral leadership. Additionally, we'll consider the barriers to the deeper self, what living on "automatic" looks like, the connection between personality and spirituality and some spiritual strategies for the nine personality types.
